

The Annotated Ledger

ERNST UNTING

First in Plight: 1 - 64

The original 64 plights were crafted and held at DeepSpace starting December of 2022. They were made available for sale. A portion of the early plights were reclaimed and are held in BOX and ALSO BOX, denoted below as “Boxed.” The uncollected, remain (or not) at DeepSpace and are entered as such. Those in this era without titles could be reasonably considered the first patrons.

1. JAY OF THE MIDNIGHT SUNSET
The beautiful end will echo a beautiful beginning.
2. BOXED
This one begs to be stolen. If you have the means, please do so.
3. BOXED
4. BOXED
5. BOXED
6. BOXED
7. BOXED
8. DEEPSPACE?
Status unknown, but at present, perhaps worth a trip to procure at the meager price of $\$28(n + 1)$, with n = the number of 8 month periods since January 2022. Why 8? Turn your head and see beyond.
9. ALLISON & SAM PULLIN
See me after class.
10. BOXED
11. BOXED
12. DEEPSPACE?
13. BOXED
Naturally, the number has fallen off.

16. BOXED

17. RITA JIMENEZ
It is expected, that if Rita were given the chance, she would have given the title “of Iritadescent.” Alas, it is only held here, in the layered textures of the archival.
18. REMY HARRIS
See me after class.
19. ADRIANA POLITIS
Widely considered to be the greatest patron.
20. DEEPSPACE?

24. BOXED
25. ADRIANA POLITIS
Oh blessed be Adriana of the Keen Eye!
26. BOXED
27. NANO OF SPORT
Plighted as recompensation for playing the squire during the act of Cementus Set. The pour pour lad knew not what trials he committed to, but remains a true co-creator of the first of the Works. He was an incredible Sport.
28. BOXED
29. BRYAN OF EASY, BREEZY, BEAUTIFUL
On the Taurus moon of 2023, plights no. 29, 52, 58, 60, and 63 were brought into the world for their plighting. Upon entry into the cage of Pet Shop, an agent of Janus, a keeper of thresholds, an old friend was found.

- 43. DEEPSPACE?
- 44. DANTE OF THE INFERNO
Dante holds the distinction of the first recognized. The profane purchase of the plight was witnessed and having been so, was graced with the knowledge of the weight to bear. So entered all into the inferno.
- 45. Natalie of Racoon Whispher
Adjacent artist during Cementus Set. She proffered outdoor tape which, in retrospect, would have been a great boon. Gift givers must learn to accept them as well.

- 52. RAFFZILLA OF LOYALTY
Plight no. 52 was the first to consume its own numeration, thus, pun-fortunately, it was dubbed the “Weakest.” Raffzilla on the other hand is perhaps the strongest.

53. MARTINA OF PAINTING
Adjacent artist during Cementus Set. Held a mutual moment of the mystic over a Tarot reading. Call me. My number is 1.

Veeler points to a lone form amongst the minnows, cloud headed and with a kind face. I plight them and recieve their title before a hasty return to the magical miasma I had been at brew before. So burdened, the storm kept the cube in their right hand for the entire show. I left the building as the pigs filed in.
As the clock struck 1h26 on 25 Merde 150, mere hours after the plight-ing, I recieved an email from Hex House, subject line “Advice accepted.” The body of the email held a 2.2 MB IMG_9564 .jpeg file revealing an unknown character at hammer to chisel upon what must be assumed to be no. 352.
Cybersewing bring to me another sight of the plight, as @charstiles emits a video of @yoyo.munk taking the chisel to cement, followed by @blackchainbody holding the un-fortunate plight alight. Burn on.
